

Step 1: Ask your friends the question.

# Do you like coconut?

Step 2: Record their answers  
by coloring the correct face.

Yes 😊 😊 😊 😊 😊

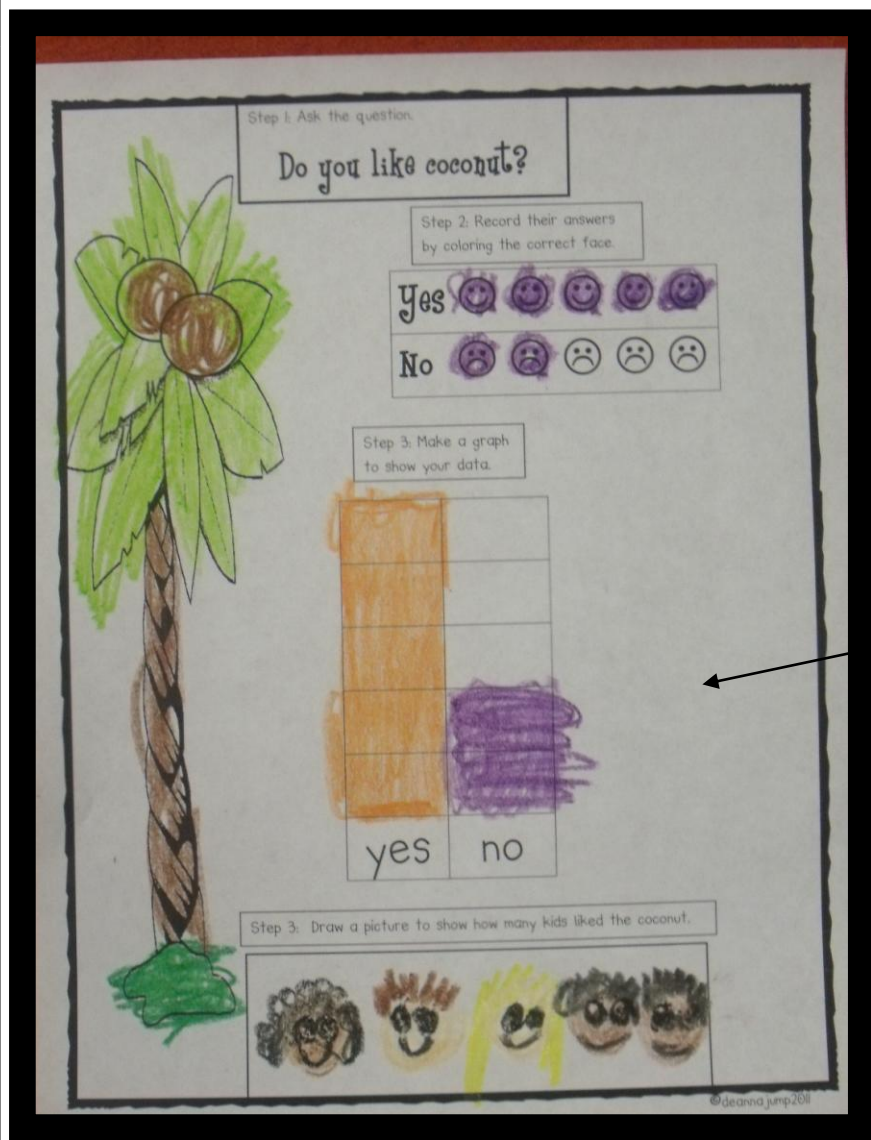

No ☹️ ☹️ ☹️ ☹️ ☹️

Step 3: Make a graph  
to show your data.

yes	no

Step 3: Draw a picture to show how many friends liked the coconut.

Once a row of faces is full their survey is over and they are ready to record the results. 😊

Directions:

Do a coconut taste test and then have your little sweeties survey a few of their friends to find out if they like coconut.
